| Site Date: 15/03/2018 Fitters arrived on site in response to emergency call out to find door in the closed position. On inspection fitters found that the door was operating correctly, fitter checked over door to see if he could find any potential fault. Fitter has advised customer that the door could possible have stayed in the open position due to cobwebs and dirt on the photo cells and also to make a note of any fault code on panel. | |
