

Rooms/Sizes/Notes

Customer sizes, 13'6 x 10ft10 (4.00 x 4.2)

9.8 x 8'11 (4.00 x 2.55.) have even allowed 10cm over but he's going back to triple measure.

There is a couch in the living room which may need to be moved from one end to the other during the fit. BUT customer is aware that the solid wood display cabinet needs to be moved before the fit. Had a discussion about this and he has agreed to have the unit removed from the room.

1 x Doorbar bar in gold. FOC see Tony

Any other bars Have not charged for so any other door bars but customer is aware may be charged if used on day. (09/06/23 - tony) (09/06/23 - tony) (09/06/23 -)

IMPORTANT - All rooms are to be emptied of furniture and existing floor coverings prior to the installation of your new flooring. Existing carpet should be taken up by the customer before the new carpet is laid*.

Acknowledgment of above statement:.....

***Should this not prove possible, prior notification must be given to the manager and a charge will be raised for the uplifting and removal of property.**

Special orders of laminate cannot be refunded. Full payment must be made 2 days prior to fitting. Terms and conditions are available on our website or copy available in store.

The following items are non-refundable: laminate special orders, wood special orders, carpet cut lengths and vinyl cut lengths.

After measure, this invoice is subject to change once sizes are confirmed.
